

NEXT GEN GM

STEERING COMMITTEE CHARTER

PURPOSE

Since its launch on 27 February 2018 the Next Gen GM has continued to grow worldwide through "helping members develop their knowledge and enhance their standing within their respective company". To continue to enhance the Next Gen GM, it will coordinate an election once a year to form a Steering Committee of both corporate and vendor members to discuss the Next Gen GM for the duration of a one year term.

QUALIFICATION

The Next Gen GM Steering Committee has no qualification or criteria and ANY MEMBER can request to join by writing a summary explaining why they wish to be part of the Steering Committee and the skill set that they can bring for the duration of a one year term. The Next Gen GM will coordinate an election where the top four members will be invited to join the Next Gen GM Steering Committee.

RESPONSIBILITIES

The Next Gen GM Steering Committee responsibilities will vary according to the needs of the Next Gen GM for the duration of a one year term. However, there is an expectation that the Next Gen GM Steering Committee members will adhere to five responsibilities throughout the duration of a one year term.

- The Next Gen GM Steering Committee member should act as an ambassador for the Next Gen GM and promote content to Global Mobility Professionals.
- The Next Gen GM Steering Committee member should provide advice on the content direction of the Next Gen GM for the duration of a one year term.
- The Next Gen GM Committee member should attend the Next Gen GM Steering Committee Quarterly Meetings and only be absent twice for the duration of a one year term.
- The Next Gen GM Committee member should attend the Next Gen GM Events or Webinars at least twice for the duration of a one year term.
- The Next Gen GM Steering Committee member should always have fun and be able to develop professionally for the duration of a one year term.

When the Next Gen GM Steering Committee member has completed the duration of a one year term they can stand for re-election or look to become the Next Gen GM Technical Advisor. The Next Gen GM Technical Advisor will help prepare technical content for the Next Gen GM members that fulfils the Next Gen GM aspiration of "helping members develop their knowledge and enhance their standing within their respective company."
